

Application for 2010/11 Urban Studio Team

To be submitted on or before: 3 PM - Monday, December 14, 2009 - SOA Office

Name:

Do you have a nickname or name other than the above that you prefer?

Contact Address:

Cell phone #:

Are you pursuing a dual degree? Which one(s)?

Do you have professional office or construction experience?

If so, who have you worked with? Where? How long?

What do you do for fun/recreation/personal enjoyment?

What are you currently reading? *This is not a trick question. I'm interested in what you read and it doesn't have to be a "design" related title. I read lots of good murder mysteries, historic biography and an assortment of currently popular books. I am currently reading Edgar Sawtelle.*

So, what are you reading? If you're not - just say so.

What is your primary interest in the Urban Studio? Why do you think being in Birmingham will be good for your professional/personal development? Please be concise and to the point.

- Please include in your application an example of design work from the project that best exemplifies your design skills. Please indicate what the project was; the year level and semester in which the work was completed; and your studio critic for the project. This should be printed - and can be an excerpt from your portfolio.
- Also, I would like to see a sample of your hand drawing skills. This can be a sketch - design study; process drawing for a project; or travel sketch. Please scan and print as part of your application. It should be labeled to explain what it is and should include a date drawn and how long you worked on the sketch.

Your application should be compiled in a format that speaks to your pride in your work and your overall insistence on good design in all that you do.

Please note that it is your responsibility to clear your plan of study and eligibility with Student Services BEFORE applying to the Urban Studio.
