

# EMILY KNOX

assistant professor of landscape architecture, auburn university  
430 dudley hall, auburn alabama 36849 313.919.2103 elknox@auburn.edu

## education

**master of landscape architecture** the knowlton school, ohio state university, 2018.

**bachelor of science in city and regional planning** the knowlton school, ohio state university, 2015.

## academic experience

**assistant professor** auburn university, college of architecture design + construction. landscape architecture program, 2021-present.

**visiting assistant professor** auburn university, college of architecture design + construction. landscape architecture program, 2018-2021.

MLA studio I/II: dynamic systems studio	au 18, 19, 20, 21
MLA graphic studies III	au 18
MLA dynamic systems II: urban ecologies	sp 19, 21
MLA seminar in landscape communication: mapping rural systems	sp 19
MLA directed studies: altered landscapes of the american west	su 19
MLA landscape issues and practices	su 19, 21
MLA landscape design methods	su 19, 21
MLA graphic studies I	au 19, 20, 21
MLA graphic studies II	sp 20, 21
MLA portfolio development	sp 20
BLA studio II	sp 22
BLA graphic studies II	sp 22
MLA directed studies: field methods	sp 22

**graduate teaching assistant** the ohio state university, the knowlton school, 2015-2018.

introduction to landscape architecture	au 15, 16, 17
making and meaning in the american landscape	sp 16, 17, 18

## professional experience

**range rider** alderspring ranch  
may, idaho. 2020.

**landscape architecture intern** implement studio  
columbus, ohio. 2018.

**landscape architecture intern** surroundings studio  
santa fe, new mexico. 2016.

## awards + honors

finalist. practice grant. "choreographing complexity". practice foundation. 2022.

award of honor in research. "alabama meadows". ASLA [alabama chapter]. 2021.

salon des refuges. "disturbed habitat". LA+ creature competition. 2021.

emerging designer award: design futures initiative. 2019.

graduate directed research prize, the knowlton school. 2018.

ASLA student award of honor nominee [ohio chapter]. 2018.

brandstetter caroll graduate associate, the knowlton school. 2018.

architecture research travel award. "conflict and conservation in patagonia".  
the knowlton school. 2017.

landscape architecture leadership award, the knowlton school. 2017.

landscape architecture faculty prize, the knowlton school. 2017.

## funded research

2021. Grant. PI.

"Vegetation Data Analytics through Multispectral Imagery Capture". CADC Seed Grant Program, Auburn University; awarded grant: \$4,970. With Frank Hu.

2019. Grant. Co-PI.

"Mary Olive Thomas Test Plots". CADC Seed Grant Program, Auburn University; awarded grant: \$5,000. With David Hill.

2018. Grant. Co-PI.

"Rural Resource Mapping in Hale County, Alabama". CADC Seed Grant Program, Auburn University; awarded grant: \$4,940. With Emily McGlohn (PI) and Mackenzie Stagg (Co-PI).

2018. Grant. PI.

"An Atlas of Rangeland Landscapes in National Forests of the American West". Research Travel Grants, Forest History Society; awarded grant: \$1,000.

2017. Grant. PI.

"Conservation and Conflict in Patagonia". Architecture Research Travel Grant The Knowlton School, Ohio State University; \$6,500.

## publications

Knox, E. 2022. "Choreographing Desire". Wonderground Journal. Wonderground Press. Issue 3: Desire Lines.

Van Maasakkers, T (50%), Oh, J (30%) and Knox, E (20%). 2020. "Shrinking Democracy?: Analyzing Participatory Planning for Vacancy and Abandonment in Ohio". Journal of Urban Affairs. 42:8, 1242-1261, DOI: 10.1080/07352166.2019.169441.

## presentations

### peer accepted presentations

Knox, E. "Rangeland design as performance: Choreographing climate resilience in our largest landscapes". Council of Educators in Landscape Architecture; Albuquerque, NM; March 16-19, 2022. Oral presentation [forthcoming].

Knox, E. "Starting Small: the role of scale in beginning design pedagogy". Council of Educators in Landscape Architecture; Albuquerque, NM; March 16-19, 2022. Oral presentation [forthcoming].

Knox, E. "Rangeland management from a designers perspective: potentials for collaboration". Society for Rangeland Management. Albuquerque, NM; Feb 6-10, 2022. Oral Presentation [forthcoming].

Knox, E [50%] and Hill, D [50%]. "Shifting Perspectives: Landscape Labs As Testing Grounds". Environmental Design Research Association, EDRA53 Annual Conference. Greenville, SC; June 1-4, 2022. Oral Presentation [forthcoming].

Knox, E. "Super-wicked landscape [architects]". Council of Educators in Landscape Architecture; Sacramento, CA; October 4, 2019. Oral presentation.

### invited lectures and panel discussions

"Landscape Experimentation at the Alabama Meadows". Invited Lecture. Warsaw University of Life Sciences. Invited by Halina Steiner. April 27, 2022.

## presentations [cont]

### **invited lectures and panel discussion [cont]**

"Landscape Disturbance at the Alabama Meadows". Invited Lecture. University of Virginia. Invited by Matthew Seibert. March 02, 2022.

"Landscape Experimentation at the Alabama Meadows". Invited Lecture. University of California Davis. Invited by Brett Milligan. February 16, 2022.

"Grounded Theory at the Alabama Meadows". Invited Lecture with David Hill. University of Pennsylvania. Invited by Nick Pevzner + Steph Carlisle. November 18, 2021.

"Directed Research + the Lit Review". Panel Discussion. Ohio State University. Invited by Associate Professor Kristi Cheramie. Nov 16, 2021.

"Directed Research + the Lit Review". Panel Discussion. Ohio State University. Invited by Associate Professor Kristi Cheramie. Nov 04, 2020.

### **poster presentations**

Knox, E (33%), McGlohn, E (33%) and Stagg, M (33%). "Rural Resource Mapping in Hale County, Alabama." Auburn University Faculty Research Symposium; Auburn, AL; October 4, 2019. Poster presentation with Emily McGlohn and Mackenzie Stagg.

Knox, E. Grazed: Crisis in the Patagonian Steppe. Prime Conference: Speculative Futures; The Design Futures Initiative. New York City, NY. June 17, 2019.

## invited workshops + consulting

### **exhibitions + symposia**

"Designing with Disturbance at the Alabama Meadows". Arboreal Inquiries Symposium: Recent Explorations in Forests and Design. The Great Lakes Design Lab/University of Minnesota/Cornell University. March 31, 2022. With David Hill.

"Choreographing Rangeland Resilience". Experimental Landings Exhibition. ACSA Teacher's Summit on Climate Agency. The Pratt Institute School of Architecture. July 9, 2022.

### **workshops**

Rural Studio, Auburn University. Moundville Pavillion Workshop Workshop with David Hill. September 24, 2021.

Rural Studio, Auburn University. Hale County Hospital Courtyard, Fall 2019 - Spring 2020. With David Hill.

Rural Studio, Auburn University. Reggie's House + Hale County Courtyard Workshop. Workshop with David Hill. September 04, 2019.

### **invited review critic**

Juror, Cornell University. Fallen Fruit Studio Competition. Invited by Asst Prof Anne Weber. April 22, 2022

Ohio State University, Master + Bachelor of Landscape Architecture Programs. Various Studio Reviews. Invited by Prof Kristi Cheramie. April 15-19, 2022

### **invited review critic [cont]**

Wentworth Institute of Technology. Bachelor of Architecture. Studio 5 Final Review.  
Invited by Lecturer Samuel Maddox. March 19, 2022

University of California - Davis, Bachelor of Landscape Architecture. Studio 4 Final  
Review. Invited by Assoc Prof Brett Milligan. March 12, 2022

Auburn University, Master of Landscape Architecture, Bachelor of Landscape  
Architecture + Bachelor of Architecture. Various. 2018-2021.

University of New Mexico, Master of Landscape Architecture. First Year Studio Review.  
Invited by Assistant Professor Kathy Kambic. May 7, 2021.

Ohio State University, Master of Landscape Architecture. First Year Studio Review.  
Invited by Associate Professor Jake Boswell. April 4, 2020.

### **service**

#### **service within school of architecture, planning + landscape architecture**

BLA Program Development Committee. Committee Member. 2018-present.

Communications: Website Content Committee. Member. 2019-present.

Portfolio Development + Review Committee. Chair. 2020 - present.

Honors Coursework Development Committee. Chair. 2021 - present.

Facilities: Program Space Study Committee. Member. 2021-present.

Facilities: Program Studio Pin-up Space Committee. Member. 2021-present.

Communications: Process Design for Web Content Committee. Member. 2019-2020.

Facilities: Education Tools and Furnishings Committee. Member. 2019-20.

ASLA Student Award Committee. Chair. 2018-2019.

#### **invited journal peer review**

K. Klosterwill. "The Shifting Position of Animals in Landscape Theory".  
Landscape Journal. 38 (1-2). January 2019.
